INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Bet Tzedek
Los Angeles, California

Report on the Financial Statements

We have audited the accompanying financial statements position of Bet Tzedek (the "Organization") which comprise the statement of financial position as of August 31, 2015, the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Organization as of August 31, 2015, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Summarized Comparative Information

We have previously audited the Organization's 2014 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated June 1, 2015. In our opinion, the summarized comparative information presented herein as of and for the year ended August 31, 2014, is consistent, in all material respects, with the audited financial statements from which it has been derived.

Emphasis of Matter

As discussed in Note 14 to the financial statements, the 2014 financial statements have been restated for the correction of errors related to the following: 1) improper classification of unrestricted loan from the endowment fund as temporarily restricted net assets, and 2) the understatement of pro bono legal service revenue and expenses as a result of a formula error in the accounting schedule.

Other Matters

Our audit was conducted for the purpose of forming an opinion on the financial statements taken as a whole. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by U. S. Office of Management and Budget *Circular A-133*, "Audits of States, Local Governments and Non-Profit Organizations," and is not a required part of the basic financial statements. The supplementary information on page 30 is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated May 31, 2016 on our consideration of the Organization's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control over financial reporting and compliance.

NOTE 1 – NATURE OF OPERATIONS

For more than forty years, Bet Tzedek (the “Organization”) has led the nation’s legal services community, providing free comprehensive assistance, creating innovative service delivery solutions, and partnering with premier corporate, public, and non-profit organizations to ensure justice for all. Each year, the Organization assists more than 20,000 people of every racial and religious background throughout the greater Los Angeles area. In addition to providing services at its headquarters in Los Angeles, the Organization provides assistance at more than 30 senior centers, 5 courthouses, 3 food pantries, and various other community service locations throughout Los Angeles County. Through the Holocaust Survivors Justice Network the Organization also serves Holocaust survivors in 36 cities nationwide. With a dedicated staff of over 60 and more than 1,000 active volunteers, the Organization makes a crucial difference in the lives of the most vulnerable members of the community.

Bet Tzedek’s approach is unique among legal service providers. The organization maintains staff experts in more than a dozen distinct subject areas. Each of these advocates performs both direct representation and supervision and co-counseling with pro bono attorney volunteers from outside law firms and corporate departments. This approach allows the Organization to maximize its impact, both because clients varying legal needs can all be addressed by a single agency and because many more people can be served through volunteer efforts. Areas of expert service include:

- Affordable Housing Protections
- Real Estate & Consumer Fraud Response
- Holocaust Reparations
- Family Caregiver Rights & Benefits
- Elder Abuse Prevention and Response
- Advanced Planning Documents, including Powers of Attorney, Healthcare Directives, and Wills
- Disability and Public Benefits Denials and Appeals
- Wage Theft Response
- Human Trafficking Response
- Foreclosure Prevention
- Low Income Taxpayer Protections
- Kinship Care for Kids in Need
- Special Immigrant Juvenile Status Protections for Unaccompanied Minors
- Medical Legal Partnership for Transgender People and Patients Living with HIV/AIDS or Cancer

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The financial statements of the Organization have been prepared on the accrual basis of accounting in accordance with generally accepted accounting principles (“GAAP”) in the United States of America.

Summarized Information

The financial statements include certain prior-year summarized comparative information in total, but not by net asset category. Such information does not include sufficient detail to constitute a presentation in conformity with GAAP in the United States of America. Accordingly, such information is included for informational purposes only and should be read in conjunction with the Organization’s financial statements for the year ended August 31, 2014, from which the summarized information was derived.

Reclassifications

Certain accounts in the prior-year financial statements have been classified for comparative purposes to conform to the presentation in the current-year financial statements. These reclassifications had no effect on net assets.

Use of Estimates in the Preparation of Financial Statements

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Contributions and Pledges

Contributions received are recorded as unrestricted, temporarily restricted or permanently restricted support depending on the existence and/or nature of any donor restrictions. Conditional contributions are recorded as support in the period in which the condition is met.

Temporarily restricted contributions are required to be reported as temporarily restricted support and are then reclassified to unrestricted net assets upon expiration of the restriction, usually when the funds are spent. Contributions where the donor has stipulated that the principal be maintained in perpetuity are recorded as permanently restricted support. The income earned on these related investments is available for the Organization's general operations, unless otherwise restricted by the donor.

The Organization records contributions receivable, net of allowances for uncollectible amounts, whenever there is sufficient evidence in the form of verifiable documentation that an unconditional promise was made and received. The Organization discounts contributions receivable that are expected to be collected in future periods using an appropriate discount rate commensurate with the risks involved. The provision for allowances for uncollectible amounts is 10% of the total gross contribution receivables at year end, plus specifically identified uncollectible accounts.

Grants and Revenue Recognition

The Organization recognizes grant funds as support and revenue as exchange transactions (i.e., when eligible costs are incurred or when eligible services have been rendered). A receivable is recognized to the extent contract support earned exceeds cash advances. Conversely, a liability (refundable advance) is recorded when contract cash advances exceed support earned.

Grant funds are primarily received from:

- The Los Angeles City Area Agency on Aging for the Legal Aid for the Welfare of Seniors Project ("City LAWS"),
- The Los Angeles City Area Agency on Aging for the Family Caregiver Project,
- The City of Los Angeles General Funds,
- The City of West Hollywood Social Services Department for the West Hollywood Legal Services Project ("City of West Hollywood"),
- The Los Angeles County Area Agency on Aging for the Legal Aid for the Welfare of Seniors Project ("County LAWS"),
- The California State Bar Legal Services Trust Fund from Interest on Lawyers Trust Account ("IOLTA") and
- The State Bar of California Legal Services Trust Fund Program Equal Access Fund ("Equal Access").

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Grants and Revenue Recognition (Continued)

The grantor may, at its discretion, request the return of unexpended funds or apply such funds to a future grant period. In addition, if the Organization terminates its legal assistance activities, all unexpended funds are to be returned to the grantor.

Cash and Cash Equivalents

The Organization considers cash on deposit and temporary investments with financial institutions with an original maturity of three months or less to be cash equivalents.

Investments

Investments consist of equity, bond and fixed income mutual fund investments. Such investments are reported at fair value. Investment income (including realized and unrealized gains and losses) is reported in the statement of activities as increases in unrestricted net assets, unless their use is temporarily restricted by donor stipulation.

Client Funds

Client funds primarily represents amounts held and payable to third parties for undistributed legal settlements and other expenses.

Due to Other Agencies

Due to other agencies represents funds received and held by the Organization that are payable to third-party agencies. On April 1, 2013, the Organization received a grant from the California Department of Justice, Office of the Attorney General (“OAG”) in the amount of \$1,750,000 as lead agency acting on behalf of the Southern California Consumer Justice Coalition (“the coalition”). The purpose of this grant is to design and develop innovative, scalable and sustainable approaches for assisting California families impacted by the foreclosure process. \$1,200,000 was granted on behalf of various subrecipients who are members of the coalition and \$550,000 was granted directly to the Organization. As of August 31, 2015, the Organization earned revenue of \$255,981 with respect to this grant.

Restricted Cash

Restricted cash represents amounts over which donors place temporary or permanent restrictions or are donor-restricted for long-term purposes.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Property and Equipment

Property and equipment include the cost of the law library, furniture, equipment and leasehold improvements used in the operation of the Organization and related activities. Property and equipment acquired with grant funds are considered to be owned by the Organization while used in the program or in future authorized programs. However, the funding source has a reversionary interest in the property, as well as the right to determine the use of any proceeds from the sale of the assets.

Additions, improvements and renewals that materially extend the useful lives of the assets are capitalized. Depreciation and amortization are computed using the straight-line method over estimated useful lives as follows:

Furniture and equipment, including software	3 to 5 years
Leasehold improvements	shorter of initial lease period or useful life of asset

When assets are retired or sold, the related cost and accumulated depreciation are removed from the accounts, and any profit or loss arising from such disposition is recorded as a gain or loss. Expenditures for repairs and maintenance are charged to expenses as incurred. The law library has been fully depreciated.

Deferred Rent

Rent expenses for operating leases, which may have escalating rentals over the term of the lease, are recorded on a straight-line basis over the initial lease term. The initial lease term includes the “discount,” where certain monthly rental payments are paid with discount. The difference between rent expense and rent paid is recorded as “deferred rent.”

Classes of Net Assets

Net assets of the Organization and changes therein have been classified and are reported as follows:

Unrestricted Net Assets – the part of the net assets of the Organization that is neither permanently restricted nor temporarily restricted by donor-imposed stipulations. The only limits on unrestricted net assets are broad limits resulting from the nature of the Organization and the purposes specified in its articles of incorporation or bylaws and, perhaps, limits resulting from contractual agreements.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Classes of Net Assets (Continued)

Temporarily Restricted Net Assets – the part of the net assets of the Organization resulting from contributions and other inflows of assets whose use by the Organization is limited by donor-imposed stipulations that either expire by the passage of time or can be fulfilled and removed by actions of the Organization pursuant to those stipulations and reclassifications to (from) other classes of net assets as a consequence of donor-imposed stipulations, their expiration by the passage of time or their fulfillment and removal by actions of the Organization pursuant to those stipulations.

Permanently Restricted Net Assets – the part of the net assets of the Organization resulting from contributions and other inflows of assets whose use by the Organization is permanently restricted by the donor. Generally, the donors permit the Organization to use all or part of the income earned on permanently restricted net assets for general or specific purposes.

Donated Goods and Services

Donated Goods & Services in the amount of \$17,102,288 is comprised of \$1,777,782 in donated goods and \$15,324,506 in donated services. Donated goods are recorded at their fair value when an unconditional promise to give has been made or when goods have been received. The value of the donation is based on appraisal and other objective bases for determining the value or, in certain instances, based on management's best estimate of the fair value. Donated services is comprised of in-kind support for contributed professional services of volunteer attorneys, paralegals and law clerks for services they received from the external and internal legal professionals based on the fiscal year.

Contributed professional services are recognized if the services received (a) create or enhance long-lived assets or (b) require specialized skills, are provided by individuals possessing those skills and would typically need to be purchased if not provided by donation. Donated services represent services valued at rates normally charged by the volunteers for similar services. For donated services provided on a calendar year basis, in-kind support is recorded on the straight-line basis prorated across the fiscal year. For donated services provided on a monthly basis, in-kind support is recorded on actual 59,884 hours of donated service during the fiscal year. Both donated goods and services are included as support and revenue and expensed for the same amount under contributed professional services.

Functional Allocation of Expenses

The cost of providing various programs and other activities has been summarized on a functional basis in the statements of activities and in the statement functional expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Concentration of Credit Risk

Certain financial instruments held by the Organization potentially subject the Organization to concentrations of credit risk. These financial instruments include cash and cash equivalents, receivables and investments.

The Organization maintains its cash and cash equivalents accounts with high-credit, quality financial institutions; accounts at each institution are guaranteed by the Federal Deposit Insurance Corporation (“FDIC”) up to \$250,000. At times during the year, cash in these accounts may exceed the federally insured amounts. The Organization has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk on its cash and cash equivalents.

With respect to contributions revenue, the Organization routinely assesses the financial strength of its donors and, as a consequence, believes that the receivable credit risk exposure is limited. At August 31, 2015, three of the pledges and grants receivable are due from a major donors.

Investment securities, in general, are exposed to various risks, such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the value of investment securities will occur in the near term and that such change could materially affect the amounts reported in the financial statements.

Income Taxes

The Organization is exempt from federal income and California franchise taxes under Section 501(c)(3) of the Internal Revenue Code and the corresponding sections of the California Revenue and Taxation Code.

In accordance with Financial Accounting Standards Board (“FASB”) Accounting Standards Codification (“ASC”) Topic No. 740, “Uncertainty in Income Taxes” (“ASC 740”), the Organization recognizes the impact of tax positions in the financial statements if that position is more likely than not to be sustained on audit, based on the technical merits of the position. To date, the Organization has not recorded any uncertain tax positions. During the year ended August 31, 2015, the Organization performed an evaluation of uncertain tax positions and did not note any matters that would require recognition in the financial statements or which may have an effect on its tax-exempt status.

The Organization’s income tax returns remain subject to examination for all tax years ended on or after August 31, 2011 with regard to all tax positions and the results reported.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Estimated Fair Value of Financial Instruments

Financial instruments included in the Organization’s statement of financial position include cash and cash equivalents, grants receivable, pledges receivable, other receivables, investments, client funds, accounts payable, accrued expenses and due to other agencies. For cash and cash equivalents, pledges and grants receivables, accounts payable, accrued expenses and client funds, the carrying amounts represent a reasonable estimate of fair values due to their short-term maturity. Pledges receivable that are expected to be paid in more than one year have been discounted using applicable market rates to approximate fair value. Investments are reflected at estimated fair value as described below.

As defined in FASB ASC Topic No. 820, “Fair Value Measurements and Disclosures” (“ASC 820”), fair value is the price that would be received to sell an asset or paid to transfer the liability in an orderly transaction between market participants at the measurement date. In determining fair value, the Organization uses the market or income approach. Based on this approach, the Organization utilizes certain assumptions about risk and/or the risks inherent in the inputs to the valuation technique. These inputs can be readily observable, market-corroborated or generally unobservable inputs. The Organization utilizes valuation techniques that maximize the use of observable inputs and minimize the use of unobservable inputs. Based on the observability of the inputs used in the valuation techniques, the Organization is required to provide the following information according to the fair value hierarchy. The fair value hierarchy ranks the quality and the reliability of the information used to determine fair values.

Instruments measured and reported at fair value are classified and disclosed in one of the following categories based on inputs:

Level 1 – Quoted prices are available in active markets for identical instruments as of the reporting date. As the Organization’s investments are comprised of investments in marketable securities with readily determinable fair values and debt securities, these would generally be classified as Level 1 inputs.

Level 2 – Pricing inputs are observable for the instruments, either directly or indirectly, as of the reporting date but are other than quoted prices in active markets as in Level 1. Fair value is determined through observable trading activity reported at net asset value or through the use of models or other valuation methodologies. The Organization has no investments classified as Level 2 inputs.

Level 3 – Pricing inputs are unobservable for the instrument and include situations where there is little, if any, market activity for the instrument. The inputs into the determination of fair value require significant judgment or estimation by the Organization. The Organization has no investments classified as Level 3 inputs.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Estimated Fair Value of Financial Instruments (Continued)

In certain cases, the inputs used to measure fair value may fall into different levels of the fair value hierarchy. In such cases, the determination of which category within the fair value hierarchy is appropriate for any given instrument is based on the lowest level of input that is significant to the fair value measurement. The Organization's assessment of the significance of a particular input to the fair value measurement in its entirety requires judgment and considers factors specific to the instrument.

Recently Issued Accounting Pronouncements

The Organization reviews new accounting standards as issued and the potential impact on the financial statements. Although some of these issued accounting standards are effective after the end of the previous fiscal year and may be applicable to the financial statements this year, the Organization has not identified any that it believes merit further discussion. The Organization believes that none of the new standards will have a significant impact on the Organization's financial statements.

NOTE 3 – INVESTMENTS

The Organization's investments consist of funds that have been restricted by donors as endowment funds. The Organization's investments are managed as a single diversified portfolio governed by the Organization's investment policy, which sets asset allocation ranges for marketable and nonmarketable investments. The Organization's investment account is composed of investments in mutual funds, which are readily marketable. All of the Organization's investments are classified under Level 1 of the valuation hierarchy by the Organization's management. Management establishes the fair value of Level 1 investments based on quoted market prices and carrying amounts, which represent a reasonable estimate of fair value.

NOTES TO FINANCIAL STATEMENTS
August 31, 2015

NOTE 3 – INVESTMENTS (Continued)

Investments are carried at market value and consist of the following at August 31, 2015 and 2014:

	2015	2014
Large-cap stock	\$ 1,452,815	\$ 2,012,392
Intermediate term bond	1,135,474	1,427,433
International stock	1,127,271	987,463
International bond	607,222	448,712
Short term bond	283,685	348,771
Mid-cap stock	128,445	176,952
Small-cap stock	127,670	175,810
Total investments	\$ 4,862,582	\$ 5,577,533

NOTE 4 – PLEDGES AND GRANTS RECEIVABLE

Promises to give are scheduled to be realized in the following periods at August 31, 2015 and 2014:

	2015	2014
In less than one year	\$ 289,362	\$ 744,430
In one to five years	192,113	201,524
In more than five years	33,800	-
Total gross pledges and grants receivable	515,275	945,954
Less present value discount	(467)	(474)
Less allowance for uncollectible accounts	(29,905)	(47,018)
Total pledges and grants receivable, net	\$ 484,903	\$ 898,462

At August 31, 2015, \$65,826 of the net pledge and grants receivable balance is restricted to endowment. The remaining pledges and grants are for general operations.

Pledges and grants due beyond one year have been discounted at a rate between 0.01% and 6.00%.

NOTE 5 – PROPERTY AND EQUIPMENT

Property and equipment as of August 31, 2015 and 2014 consist of the following:

	2015	2014
Equipment	\$ 972,885	\$ 870,989
Law library	281,287	281,287
Leasehold improvements	5,022	5,022
Capital leases for equipment	110,084	110,084
	1,369,278	1,267,382
Less accumulated depreciation, other	(1,015,113)	(923,434)
Less accumulated depreciation, capital leases	(64,700)	(40,743)
Property and equipment, net	\$ 289,465	\$ 303,205

Depreciation expense for the year ended August 31, 2015 was \$115,636.

There were no donations of property and equipment during fiscal 2015.

NOTE 6 – RETIREMENT BENEFITS

The Organizations' employees are eligible to receive benefits under a multiemployer defined-benefit pension plan. The plan is administered by the Jewish Federation Council of Greater Los Angeles ("the plan"). Contributions are determined in accordance with the provisions of the plan. Information with respect to the Organization's proportionate share of the excess, if any, of the actuarial computed value of vested benefits over the total of the pension plan's net assets is not available from the plan's administrator.

The Multiemployer Pension Plan Amendments Act of 1980 (the "Act") significantly increased the pension responsibilities of participating employers. Under the provisions of the Act, if the plan terminates or the Organization withdraws, the Organization could be subject to a substantial withdrawal liability. The Organization has no plans to withdraw from the plan as of August 31, 2015.

NOTE 6 – RETIREMENT BENEFITS (Continued)

The risks to the Organization of participating in this multiemployer pension plan are different from single-employer plans in the following aspects:

1. Assets contributed to the multiemployer plan by one employer must be used to provide benefits to employees of other participating employers.
2. If a participating employer stops contributing to the plan, the unfunded obligations of the plan may be borne by the remaining participating employers.
3. If the Organization chooses to stop participating in some of its multiemployer plans, the Organization may be required to pay those plans an amount based on the underfunded status of the plan, referred to as a withdrawal liability.

Details of the pension plan are as follows:

<u>Pension Fund Name</u>	<u>EIN/ Pension Plan #</u>	<u>Protection Zone Status</u>		<u>FIP/PP Status Pending/ Imple-mented</u>	<u>Contributions to Plan from the Organization</u>		<u>Surcharge on Contributions</u>	<u>Expiration of Collective Bargaining Agreement</u>
		<u>2015</u>	<u>2014</u>		<u>2015</u>	<u>2014</u>		
Basic Plan of the Jewish Federation Council of Greater Los Angeles	95-1643388/001	Green	Yellow	Yes	\$ 546,750	\$ 610,916	No	August 31, 2016

The Organization’s contributions to the plan during calendar year 2014 and 2013 were greater than 5% of the total contributions made. The contributions are made pursuant to a collective bargaining agreement (“CBA”) expiring on August 31, 2016.

A Form 5500 has been filed for the plan for the annual period ended December 31, 2014.

A defined-contribution plan is also offered to the employees. Included in pension expense is \$96,213 of contributions made to the defined-contribution plan and \$551,697 pertaining to the multiemployer defined-benefit plan.

BET TZEDEK
(A NONPROFIT ORGANIZATION)
NOTES TO FINANCIAL STATEMENTS
August 31, 2015

NOTE 7 – NOTE PAYABLE

The Organization has a promissory note with outstanding principal balance and interest of \$276,891 and an interest rate at Prime (3.25% at August 31, 2015) plus .50% per annum. The note is payable in one payment of all outstanding principal plus all accrued interest on February 10, 2017. As described in Note 15, subsequent to year end, the Organization repaid the outstanding balance on the note payable in full.

NOTE 8 – LINE OF CREDIT

The Organization has a line of credit with a maximum loan commitment of \$300,000 and an interest rate at Prime (3.25% at August 31, 2015) plus 0.50% per annum. Borrowings on the line are secured by the Organization's business assets. The line of credit will expire on February 10, 2017. As of August 31, 2015, there was no availability on the line of credit. As described in Note 15, subsequent to year end, the Organization repaid the outstanding balance of the line of credit in full.

NOTE 9 – COMMITMENTS AND CONTINGENCIES

Operating Lease

The Organization rents office space under an operating lease. The term of the lease is for 120 months commencing August 24, 2012 and expiring August 24, 2022. Monthly rental payments for the first 12 months are abated, and monthly rental payments for the 18 months after the abatement period are discounted \$3,000 per month. Annual increases in rent begin after the fourth anniversary of the lease. In connection with rent discounts and incentives offered, a deferred rent liability in the amount of \$515,854 has been recognized and is being amortized against rent expense over the life of the lease. Rent expense in the amount of \$434,261 was incurred during fiscal year 2015.

Future minimum lease payments under the above operating lease are as follows:

<u>Year Ending August 31,</u>	
2016	\$ 452,606
2017	461,659
2018	470,892
2019	480,310
2020	489,916
Thereafter	<u>966,171</u>
Total	<u>\$ 3,321,554</u>

NOTE 9 – COMMITMENTS AND CONTINGENCIES (Continued)

Capital Lease Obligations

The Organization has three capital lease obligations in connection with certain property and equipment. The leases require monthly payments of \$2,769, including interest at rates ranging from 0.89% - 7.07%. The maturity dates range from January 2017 to October 2017.

Future minimum lease payments under the capital leases are as follows:

<u>Year Ending August 31, _____</u>	
2016	\$ 33,222
2017	29,835
2018	<u>702</u>
Total minimum lease payments	63,759
Less interest	<u>(5,589)</u>
Present value of net minimum capital lease payments	<u>\$ 58,170</u>

Interest expense incurred during the fiscal year ended August 31, 2015 for these capital leases was \$9,959.

Litigation

The Organization, from time to time, is involved in certain legal matters which arise in the normal course of business. Management believes that any resolution of such matters will not have a material adverse effect on the Organization's financial position.

Fellowship	-	40,000	18,333	21,667
Other programs	223,836	261,413	320,254	164,995
Endowment fund – Accumulated earnings	<u>762,228</u>	<u>(42,842)</u>	<u>273,785</u>	<u>445,601</u>
Total	<u>\$ 1,355,522</u>	<u>\$ 708,571</u>	<u>\$ 1,112,318</u>	<u>\$ 951,775</u>

NOTE 12 – ENDOWMENTS

The Organization’s endowment funds consist of three separate funds, of which two funds are restricted by donors and one fund is designated by the board of directors. The endowment funds were established for a variety of purposes to benefit the Organization.

Interpretation of Laws and Accounting Guidance

The Organization’s governing board has interpreted the Uniform Prudent Management of Institutional Funds Act (“UPMIFA”) adopted by the state of California as requiring the preservation of the fair value of the original gifts as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, the Organization classifies as permanently restricted net assets (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted instrument endowment fund that is not classified as permanently restricted is classified as temporarily restricted net assets until those amounts are appropriated for expenditure by the Organization in a manner consistent with the standard of prudence prescribed by UPMIFA.

NOTE 12 – ENDOWMENTS (Continued)

Interpretation of Laws and Accounting Guidance (Continued)

In accordance with UPMIFA, the Organization considers the following factors in making a determination to appropriate or accumulate donor-restricted funds:

1. The duration and preservation of the fund
2. The purposes of the Organization and the donor-restricted endowment fund
3. General economic conditions
4. The possible effect of inflation and deflation
5. The expected total return from income and appreciation of investments
6. Other resources of the Organization
7. The Organization's investment policies

Strategies Employed for Achieving Objectives

To satisfy its long-term rate-of-return objectives, the Organization relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). The Organization's general policy is to diversify investments within both equity and fixed-income securities so as to provide a balance that will enhance total return while avoiding undue risk concentration in any single asset class or investment category. The Organization believes that a balanced approach to portfolio management is required to reduce volatility and prudently maximize total return for the long term. The Organization recognizes that economic and security market conditions are not constant but ever-changing and, as a result, continuous portfolio adjustments will be required.

Return Objectives and Risk Parameters

The Organization has adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment while seeking to maintain the purchasing power of the endowment assets.

Endowment assets include those assets of donor-restricted funds that the Organization must hold in perpetuity or for a donor-specified period(s) as well as board-designated funds. Under this policy, as approved by the board of trustees, the endowment assets are invested in a manner that is intended to produce total returns (net of inflation) in excess of the endowment spend-out rate, thus allowing for real growth of endowment assets while assuming a moderate level of investment risk.

NOTE 12 – ENDOWMENTS (Continued)

Spending Policy and How Investment Objectives Relate to Spending Policy

The Organization has a policy to distribute 5% of the trailing three-year average of the endowment’s total invested asset value each year, so long as the endowment corpus continues to exceed \$2 million. In establishing this policy, the Organization considered the long-term returns expected on its endowment. Accordingly, over the long term, the Organization expects the current spending policy to allow its endowment to grow annually. This is consistent with the Organization’s objective to maintain the purchasing power of the endowment asset held in perpetuity or for a specified term as well as to provide additional real growth through new gifts and investment return.

Composition of Endowments and Current Year Activity

The total endowment funds of the Organization amounted to \$4,940,504 as of August 31, 2015. This amount is approximately composed as follows:

1. Equity mutual funds	57%
2. Fixed income mutual funds	41%
3. Pledges receivable, net	1%
4. Cash and cash equivalents	1%

The composition of the endowment fund is as follows as of August 31, 2015:

Cash	\$ 12,097
Investments	4,862,581
Pledges receivable, net	<u>65,826</u>
Total	<u>\$ 4,940,504</u>

NOTE 12 – ENDOWMENTS (Continued)

Funds

From time to time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the level that the donor or UPMIFA requires the Organization to retain as a fund of perpetual duration. There were no deficiencies of this nature as of August 31, 2015.

For the years ended August 31, 2015 and 2014, the Organization’s endowment net assets changed as follows:

	2015			
	<u>Unrestricted</u>	<u>Temporarily Restricted</u>	<u>Permanently Restricted</u>	<u>Total</u>

NOTE 13 – FEDERAL AND OTHER AWARDS

Support and revenue recognized from federal awards for the years ended August 31, 2015 and 2014 are as follows:

	2015	2014
County LAWS	\$ 355,196	\$ 364,361
City LAWS	214,526	221,439
Family Caregiver	135,789	172,247
CSBG	91,875	69,813
Total federal awards	\$ 797,386	\$ 827,860

Other awards consist primarily of support and revenue recognized from a grant from the City of West Hollywood of \$161,165 and Caregiver of \$7,152 for the year ended August 31, 2015.

These awards are paid based on reimbursable costs and performance as defined by each grant. Reimbursements recorded under these grants are subject to audit. Management believes that no material adjustments will result from the subsequent audit of costs reflected in the accompanying financial statements.

NOTE 14 – PRIOR PERIOD ADJUSTMENT

In 2014, the Organization approved a \$750,000 loan from the unrestricted portion of endowment which was improperly accounted for as temporarily restricted net assets. In 2014, the Organization also improperly recorded pro bono legal service revenue and expense based on a schedule containing formula errors, thereby understating revenue and expenses by \$1,127,746. Below is the effect on the Organization's statement of financial position and statement of activities as of and for the year ended August 31, 2014:

	As Previously Reported	Restatement Related Adjustments	As Restated

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN
ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

To the Board of Directors
Bet Tzedek
Los Angeles, California

We have audited the financial statements of Bet Tzedek (the "Organization") as of and for the year ended August 31, 2015, and have issued our report thereon dated May 31, 2016. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Control over Financial Reporting

Management of the Organization is responsible for establishing and maintaining effective internal control over financial reporting. In planning and performing our audit, we considered the Organization's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control over financial reporting.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be deficiencies, significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above.

To the Board of Directors

Bet Tzedek

Independent Auditor's Report on Internal Control over Financial Reporting and on Compliance and
Other Matters Based on an Audit of Financial Statements Performed in Accordance with
Government Auditing Standards

Page 2

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Organization's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of This Report

This report is intended solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE
FOR EACH MAJOR FEDERAL PROGRAM;
REPORT ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY OMB A-133**

To the Board of Directors
Bet Tzedek
Los Angeles, California

Report on Compliance for Each Major Federal Program

We have audited the compliance of Bet Tzedek (the "Organization") with the types of compliance requirements described in the *OMB Circular A-133 Compliance Supplement* that could have a direct and material effect on each of the Organization's major federal programs for the year ended August 31, 2015. The Organization's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts and grants applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of the Organization's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, and *OMB Circular A-133, Audits of States, Local Governments and Non-Profit Organizations*. Those standards and *OMB Circular A-133* require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Organization's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the Organization's compliance.

Opinion on Each Major Federal Program

In our opinion, the Organization complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended August 31, 2015.

To the Board of Directors

Bet Tzedek

Independent Auditor's Report on Compliance for Each Major Program; Report on
Internal Control over Compliance in Accordance with *OMB Circular A-133*

Page 2

Report on Internal Control over Compliance

Management of the Organization is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit, we considered the Organization's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine our auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with *OMB Circular A-133*, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of *OMB Circular A-133*. Accordingly, this report is not suitable for any other purpose.
